

The American Red Cross is currently seeking a full-time Regional Program Specialist to support the Service to the Armed Forces program in San Diego, CA. This is a full-time position that may be classified as mobile, which requires strict medical and security clearances, as well as the condition of worldwide deployment as needed.

#### Job Summary:

The SAF Regional Program Specialist supports the delivery of American Red Cross programs and services to meet the needs of United States military members, veterans and their families in accordance with Red Cross policies and procedures. This is accomplished through working with volunteers and other Red Cross departments to support strong visibility for SAF programs throughout San Diego County .

#### Responsibilities:

- **Relationship Management Support and Community Outreach:** Supports building relationships with military leadership, key organizations and community leaders. Cultivates relationships and partnerships with external constituents in the local community, including government organizations, corporate partners, civic organizations and other community charitable and nonprofit agencies with the purpose of furthering the mission of the Red Cross. Outreach includes command meetings, education briefings, presentations or information sessions.
- **Volunteer Management Support:** Supports a volunteer program to meet the workforce model and to enable delivery of SAF programs and services. Assists in the supervision of volunteer staff. Works closely with Regional Volunteer Services to develop and implement strategic regional SAF volunteer program. Helps ensure volunteer staff ratio reflects the diversity of the population being served.
- **Service Delivery:** Ensures the delivery of SAF core services to all clients within their jurisdiction. Supports the other lines of ARC service to ensure the delivery of Preparedness, Health and Safety Services training, disaster preparedness and response, and Red Cross Blood Services. Services may include use of case management system, presenting briefings, collection of data, providing needed materials, and outreach within the community.
- **Reporting & Admin Support:** Monitors and reports on the outcomes and results of programs and services to ensure organizational accountability and makes recommendations for continuous improvement to ensure metrics are consistently met.

#### Qualifications

##### Education:

Bachelor's degree in business or public administration, human resources management, community organization, social or health sciences, or related field; or relevant equivalent experience is preferred. Associate's degree with 5 years of experience or other combination of education and experience which provides an equivalent background is acceptable.

##### Experience:

A minimum of three years related experience is required. Viable candidates must have a valid driver's license.

##### Skills and Abilities:

Requires strong computer skills. Public speaking skills and the ability to communicate effectively verbally and in writing are required. Must have strong interpersonal skills and the ability to work well in an individual or team environment. The ability to balance multiple priorities is essential. Experience with American Red Cross programs and services is desired. Familiarity with military culture, regulations and protocol is strongly desired.

##### Mobile Position Requirements:

- U.S. citizenship is required. Must be able to obtain a secret security clearance and a no-fee U.S. passport.
- Mobility is a condition of employment and an essential function of this position.
- Must accept work assignments to deployment locations in or near conflict areas, where the American Red Cross is providing services to members of the military.
- Must meet strict medical and physical requirements, including immunizations required by the U.S. military.
- May be required to wear military uniforms, and live and work in harsh and stressful environment in conflict areas.

The American Red Cross is a diverse nonprofit organization offering its employee's professional development and growth opportunities, a competitive salary, comprehensive benefits, and a collaborative team spirit environment. To be considered for this position, please visit [www.redcross.org/jobs](http://www.redcross.org/jobs) to apply.

D. Military Training Range Exercise Coordinator, Senior

Booz Allen Hamilton

San Diego, CA

Full time

Key Role:

**Job Description:**

Act as Program Management Lead for San Diego-based US Navy projects and contracts associated with the OPNAV, NAVFAC, CINC, and Naval Information Warfare Systems Command Pacific (NAVWARSYSCOM – formerly SPAWAR). Interact personally with Navy leadership and project leads to coordinate program execution activities, secure funding, and grow revenue for program expansion based on the successful execution of current pilot projects and formal contract initiatives. Operate as the Primary Point of Contact and Lead for the NAVFAC Enterprise Utility Management System (EUMS) project, as well as Primary Support Associate for the My Navy Career Center (MNCC) contract which have been awarded.

Provide technical and network problem resolution to partners and end-users by performing technical evaluation of complex discrepancies, customer technical training / familiarization, and solution development to maintain pace with customer strategic roadmap requirements. Responsible for supporting large DoD clients through all phases of the system lifecycle in designing and maintaining complex program Navy program execution, including Risk Management Framework. Support will be provided by clearly communicating technical solutions in a user-friendly, professional manner. Work hand-in-glove with both AT&T and DoD Engineers to design, deploy, and operate complex network infrastructures to provide contractually-mandated services, while supporting system Authority to Operate (ATO) requirements simultaneously and as required.
