Commander’s Call

First, I would like to say thank you to the Post & Auxiliary members who once again made this place great through the month of October by giving their time over and over. The truth be told, if every member were to volunteer just once a month, our great organization and Post would have countless accomplishments. Please consider re-engaging if you’ve taken some time off or would like to start, come join in, attend a Post Meeting, engage in a VFW Program, Post Activity or come on down to the Post for a meal. We don’t ask for all day volunteers, just an hour or two- Always need someone on Friday Night to assist with collecting for meal tickets.

As we enter the Holidays, please think about some of these November dates and the sacrifices made by our Veterans:

- 11/7 Operation Phantom Fury launches in Fallujah, Iraq in 2004
- 11/11 World War I ends in 1918
- 11/11 Veteran’s Day celebrated as “Armistice Day”
- 11/12 Sub-zero cold wave catches US Forces without winter gear (Korea) in 1950
- 11/13 Vietnam Veterans Memorial (Wash. DC) dedicated in 1982
- 11/24 111 US B-29’s conduct 1st bombing raid on Tokyo since Doolittle raid during WWII in 1944
- 11/26 Franklin D. Roosevelt establishes modern Thanksgiving in 1941

November holds many opportunities, most of them include giving back to our Veterans and acknowledging their sacrifices. Please join us on 11/11 at 1100 at the Poway Veteran’s Park with a lunch at the Post thereafter. Join us for a Pre-Thanksgiving Feast for our First Responders on 11/17. The Post will be awarding the VFW First Responder and Law Enforcement Awards. Please come on down and join us for a Sunday breakfast, Wednesday lunch or Friday Night Burger… and thanks to all those who volunteer to make these events happen. Please think about inviting a Vet for Thanksgiving dinner.

Looking back at October, it was an absolutely fantastic month. Last weekend, so much was accomplished. Sunday, I was joined by the Quartermaster- Alan and Adjutant- Fernando to attend the Quarterly VFW District 1 Meeting at the Veteran’s Home in Chula Vista. District 1 is the largest in California and has a total of 30 VFW Posts. Happy to report that Post 7907 is now ranked #1 in District 1. Thanks to all those working VFW Programs and Making it Happen. Saturday, we had a fun time at the football game (Navy did not win but covered the 22.5 point spread in a 44-22 loss to Notre Dame, but we did get the Leprechaun, Randy Kaiser- Sr Chief/Shipmate of Bill Kimble) and the Auxiliary conducted a VA Hospital visit- So Amazing! On Friday night, the Halloween Party/Burger burn was great- Thanks to the decorating Committee and all those who dressed up.

Fundraising in October- WOW- WOW…Between the Football Tailgate Poppy collection, the National Home collection at our General Meeting and the Sycuan Casino Bus Trip (Thanks Sycuan for the good time), we raised well over $1,000. More impressively, the Post Solar Fundraising/Building Committee achieved the Post goal raising $12,700 well ahead of the December target. Construction on Phase II of III will be underway this month. Membership in October- Our Membership Committee is nailing it. This month, we have gone from 95% to 95.95% to 96.87%. Our goal is 100% by Christmas. Please either renew your membership or convert your Annual membership to a Life Membership.

REMEMBER- Everyone is a recruiter for the VFW or the Aux.

Special gratitude and thanks to VFW Department Commander Lamont Duncan on his recommendation and my selection as an honorary appointment as National Aide-de-Camp to the VFW Commander-in-Chief B. J. Lawrence. Indeed, this was a pleasant surprise. Rest assured, I will continue to serve Post 7907 and Department as National Aide-de-Camp with dignity and honor for the Veterans of Foreign Wars.

As we head into the Holidays, please keep in your thoughts and prayers those who are currently serving, those families separated over the holidays, and those who have made the ultimate sacrifice. THANKS to all of you making a positive contribution to the Poway Post 7907 and VFW, and especially to all of you who unselfishly give your generous time and support or make donations. Thanks for attending meetings. Thanks for helping Vets. Look forward to seeing you at the Post and on 12/8— Navy beating Army!

FROM THE AUXILIARY PRESIDENT

Hi Everyone,

October was a great month. I cannot express my thanks enough to Judy Hill for her hard work on the Auxiliary Solar Project. We have reached our goal and have raised the money for the second installment of solar on the Post. We couldn't have done it without our generous sponsors and we will be holding a dinner to honor them on the ribbon cutting. Also another big thanks goes to Mary Ann Lapating with her help on the VA Hospital visit along with Kevin and Margo for their generous donation of shoes and clothes. Additionally, the Auxiliary has pledged $500 to North County Stand Down upcoming in February 2019, great work this year Auxiliary to raise the money. And awesome job by Fernando and Ferguson Waterworks for the day of work you guys put in, painting, cleaning, and fixing the Post, it looks great.

Have a Happy Thanksgiving,

Alex Grosch

Comrades,

For several years Walgreens in Poway has provided free flu shots to veterans. This year they were provided in a partnership with San Diego Regional Veterans Administration, and we were asked to host a clinic at our Post which would provide free vaccination to those with a VA membership. Naturally, we said yes and scheduled the clinic on October 17th during Wednesday lunch due to the large attendance we normally enjoy. Although notification was included in the monthly newsletter last month, we didn’t advertise this event in the Poway Chieftain due to a late contractual agreement.

As a result (in my opinion), only 6 members took advantage of this opportunity during the two hour period agreed on but Jack, Manager of Walgreens, said we did good for the first time trying it at our Post. I mentioned to him that I thought it may have been due to not advertising in the local newspaper, but he pointed out most people tend to get vaccinated earlier in the flu season anyway.

The lesson learned for next year is we need to begin planning with Walgreens early in order to advertise prior to flu season to better serve the Poway veterans.

In Comradeship,

Vernon DuMolt

From the Junior Vice Commander

Comrades,

We got our shipment of Poppies delivered (all 6000-plus of them) so now we gotta give them out! Following a great effort at the Navy-Notre Dame tailgating event (especially by our resident leprechaun) our next big push will be in front of Poway Walmart for Veteran’s Day weekend. Please let me know if you can come out to support a relief fund/membership drive either 1300-1500 on Nov 11th or join us with the JROTC 0800-1500 on Nov 12th. We’re also in the planning stage of setting up the tent in front of the MCAS Miramar Exchange in early December, so mark your calendars and plan accordingly. More details to come!

From the Chaplain

Gracious good day, comrades.

Thanksgiving Day will soon be upon us. It’s not just about football and feasting. On the contrary, Thanksgiving Day was originally a religious observance. The Indian Squanto who saved the Pilgrims from certain death was actually a man of great faith. Thanksgiving is defined in the dictionary as “the giving of gratitude, especially towards God.” The Greek word for thanksgiving is “eucharistia,” which translates to “the giving of thanks for God’s grace,” gratitude, and giving of thanks. The Bible commands believers to thank God. An example of this is found in Psalm chapter 100 verse 4, which states “enter his gates with thanksgiving and his courts with praise; give thanks to him and praise his name.” On this Thanksgiving, take a moment from all the fun activities of the day to give thanks for the many blessings we enjoy. May God bless us all.

BRAVO ZULU
OF THE MONTH

This month we are pleased to show appreciation to our fantastic cooks! Ken and Amy Whitney and the Hood Boyz are the collective winners of the BZ of the Month for their phenomenal efforts in the kitchen. The excellent meals prepared have been enjoyed and appreciated by a multitude of folks and their donation of resources, time, and expertise is noteworthy.

Comrades,

Many thanks to Mary Ann Lapating for her outstanding effort in organizing the La Jolla VA Hospital visit and thanks to all those that gave their time or donated items to ensure the event was a success.

Separately, I’ve gotten a couple of suggestions for improvements around the Post and am always ready to hear more! If you’ve got something, please don’t hesitate to let me know and hopefully we can make the Post a better place together.

Movie quote of the month (free beverage of choice to the first person that corners me at the Post with the movie title of origin):

From the Judge Advocate

Comrades,

November, what a great and busy month. The Post has some major events planned. We will be observing the Marine Corps birthday, Veterans Day, Thanksgiving, and will be recognizing the First Responders. With all this, we still have all the NFL and many College games on TV including the newly installed patio TV.

Fernando and Melissa are doing a great job for the Friday night “Burger Burn”, for $7.00 it is a great deal and the burgers are outstanding.

So, with all of the above and probably more that I have forgotten gives you plenty of reasons to come out and support YOUR Post.

In Comradeship.

Bob Parks
From the House Committee Chairman

Dear Comrades,

Here is this month’s summary of house activity and improvements. We are pleased to report that our friends at Ferguson Waterworks helped us with a substantial amount of work. They brought in 20 volunteers who painted the banquet hall doors, replaced broken tiles, painted the back patio, mounted the TV in the bar, and helped us with general landscaping. We are very grateful for their help and commitment to helping the community. They were a true force multiplier for our Post. THANK YOU.

I would like to recognize Judy Hill who along with the Solar Panel committee, raised $12,700 for the solar panel project. These much-needed funds will allow us to begin construction on the Solar Panel project. Appreciate the team effort in Making it Happen.

Also, many thanks to Anna & Chad Foley for cleaning the back shed and the hall and kitchen. We appreciate them volunteering and helping when needed.

Soon the Post will have a Coffee Cart. Thanks Shari Dunbar for the idea. We purchased a Keurig and are looking to get a cart. If you have any ideas, please let me know.

I look forward to seeing you and meeting you at the Friday Night Burger burn- Please say Hi to me in the Kitchen.

Don’t forget to join us for football on Sundays and Thursdays, and as always:

Thank you for your service!

Farewell Dear Friend...

God Bless our friend John from Texas - Ringing the Freedom Bell & heading home
Comrades,

Unmet Needs is the VFW’s premiere Assistance Program and fairly unknown to most of you. Therefore I decided to provide a short brief on the program.

Unmet Needs is there to assist active service or veteran families who have run into unexpected financial difficulties as a result of deployment or other military-related activity or injury. The program provides financial aid grants up to $1,500 to assist with basic life needs. Grants are not a loan, so there is no repayment. The program folks pay the creditor directly.

The applicant must be the service member, veteran or eligible dependent listed under the Defense Enrollment Eligibility Reporting System (DEERS). The financial hardship must be the following:

a) Current active duty, whose financial hardship is a result of a current deployment, military pay error or from being discharged for medical reasons.
b) Discharged on or after September 11, 2001, whose financial hardship is a direct result of your military service connected injuries and/or illnesses.
c) Discharged prior to September 11, 2001, are on a fixed income that must include VA compensation, and facing an unexpected financial hardship.

Anyone who has not served in the military or the financial hardship is caused by one of the following:

a) Civil, legal or domestic issues, misconduct or any issues that are a result of spousal separation or divorce.
a) Financial mismanagement by self or others, or due to bankruptcy.

Unmet Needs assists with any expenses that are classified as “basic life needs”, which includes, but is not limited to the following: household expenses (such as mortgage, rent, repairs, insurance), vehicle expenses (such as payments, repairs, insurance), utilities and primary phone, food, clothing, children's clothing, diapers, formula, school or childcare expenses, and medical bills, prescriptions, and eyeglasses—the patient’s portion for necessary or emergency medical care only.

Note: The Unmet Needs Natural Disaster Assistance (i.e. flood, fire, earthquake and tornado) provides a $300.00 grant. In order to qualify, service members/veterans must submit the single page application and a copy of their most recent DD-214 or orders.

Unmet Needs does not assist with any expenses that are not classified as “basic life needs”, which includes, but is not limited to the following: credit cards, military charge cards, retail store cards, cable, internet, secondary phones, taxes – property or otherwise, furniture rentals, or any expense not determined to be a basic life need.

How do you get an application for the Unmet Needs financial grant you ask?
